**THIS AGREEMENT**, made and entered into the \_\_\_\_\_ day of \_\_\_\_\_ 20\_\_\_\_, by and between **BIENVILLE FOREST INVESTMENTS, INC.**, (herein called "Lessor"), and \_\_\_\_\_, (herein called "Lessee"):

That for the term and in consideration of the rentals hereinafter set forth, and the covenants, conditions and obligations to be observed and performed by Lessee, Lessor does hereby grant unto Lessee limited rights and privileges contained in this document and Exhibit A, which is attached and by reference specifically made a part of this lease, of protecting and hunting deer and hog on certain property of the Lessor in Hamilton County, Florida (the "Property"), together with full rights in Lessee to enter, upon, over, across, and out of the Property solely for purposes above described and for none other whatsoever. It is understood that hunting rights for any excluded species may be granted to a third party, by the Lessor.

The term of the Lease is one (1) year, and unless sooner terminated as provided herein, will extend from the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, to the \_\_\_\_\_ day of \_\_\_\_\_ 20\_\_\_\_, (the "Term"). The grant of any extension or renewal hereof, as well as its terms and conditions, shall be at the sole discretion of Lessor, and, if granted, shall be reduced in writing and executed by the parties.

1. (a) The initial annual rental fee (less any pro rata from any previous agreement) for which this Lessee is granted is \_\_\_\_\_ Dollars, (\$ \_\_\_\_\_), payable in advance to Lessor at its office in White Springs, Florida and must be made by personal check, cashiers check, money order or a valid credit card prior to the commencement of the Term. A credit card is required to be recorded for future charges.

(b) The annual Lease fee after the initial year of the Term shall be subject to negotiation between the parties. The annual Lease fee after the initial year shall be agreed to, in writing, at least sixty (60) days, before the expiration of the then current Lease year. If either of the foregoing conditions shall not be met, then the Term shall notwithstanding any other provision hereof, be terminated on the last day of the then current Lease year. "Lease Year" shall mean each twelve (12) month period commencing on the month and day that the Term commences.

(c) In the event any rental fee is not paid when due, Lessee shall pay a late fee of five percent (5%) of the outstanding amount.

2. Lessee recognizes, understands and acknowledges that Lessor has acquired and holds the Property for the purpose of conservation, commercial recreation, future real-estate development, as well as planting, growing, protecting, maintaining, conserving and harvesting of trees, timber, pulpwood and other forest products, and for other uses in

connection with its operations, and Lessee agrees that all rights and privileges hereunder granted are, and shall be, at all times expressly subject to Lessor's basic and primary rights to prevent any fire, waste, nuisance or unnecessary damage to the Property or the commercial value thereof, and to develop, use enjoy and protect the Property without limitation. Therefore, Lessee's exercise of any of its rights under this Lease shall in no way impede or hinder Lessor in the full enjoyment of the Property as above described, and if it becomes necessary, expedient or advisable for Lessor to prohibit, curtail or suspend all hunting on the Property, Lessor shall have the right to do so immediately upon written notice thereof to Lessee.

3. Lessee further expressly covenants and agrees:

(a) Additionally, whether Lessee is a corporation or not, Lessee shall provide to Lessor the name, address and drivers license number of the guest of Lessee to whom the privileges of hunting on the property has been granted by Lessee prior to that guest hunting on the Property as well as the specific time period that the guest shall hunt on the Property.

(b) That neither Lessee nor his guest shall engage in any commercial hunting or private guide service on the Property, except as specifically allowed by Lessor, nor shall Lessee permit any other persons to do so. Violation of this paragraph by Lessee or Lessee's guest will result in immediate termination this agreement without refund. Additionally, Lessor shall seek any and all damages resulting from violations of this paragraph including but not limited to any loss or physical damage to property, all potential lost revenue and reasonable attorney's fees from Lessee.

(c) To use every precaution to protect the aforesaid land, soil, timber, trees and forest products from fire or other damage and, to that end, Lessee will assist and exercise every effort to extinguish any fire or correct any damage that occur on the Property. In the event that any fire shall be willfully or negligently started or allowed to spread onto the Property by Lessee or by his guest or in the event that other damage is caused to the Property, Lessor shall have the right immediately to cancel this agreement without notice, and any unearned rentals theretofore paid shall be forfeited to Lessor. In addition, Lessor shall be entitled to recover from Lessee any loss caused to Lessor including costs and reasonable attorney's fees that Lessor sustains as the result of such fire or damage.

(d) To assume responsibility, and to pay, for any trees, timber or other forest products that may be cut, used, damaged and/or removed from the Property by Lessee, or guest.

(e) To comply, when using the Property, with all laws, ordinances, and regulations pertaining to environmental matters and shall not permit any hazardous materials (as that term is defined by law) to be placed or kept on the Property; to not cause any pollution to air, ground or water from Lessee's use of the Property; to make no use of the Property which involves any disturbance to surface water including drainage, retention or storage thereof.

4. Except as otherwise provided, Lessor and Lessee each reserve the right to cancel this Agreement, for any reason, after first giving the other party thirty (30) days prior written notice thereof. In the event of any cancellation by Lessor without cause, Lessor

covenants and binds itself to refund unto Lessee any prepaid rentals on a prorated basis governed by the time within the then current Lease year that the Property has been available to Lessee and the time that it has not been available for fishing. In the event of cancellation by Lessee, or in the event of cancellation by Lessor for cause, no prepaid rentals shall be subject to refund and Lessor shall retain all such amounts, not as penalty, but as liquidated damages for breach of this Agreement.

5. Lessee agrees to maintain and conduct all activities on the Property in a clean and litter-free manner. All dumping or littering is expressly prohibited and Lessee further agrees periodically to inspect the Property and to remove all unauthorized trash.
6. The rights and privileges granted herein shall not be assignable, transferable or sublicensed by Lessee except with the express written consent of Lessor. Any attempts by Lessee to assign, transfer or sublicense the privileges granted by the Agreement without consent of Lessor as provided herein, shall be void ab initio and shall result in the immediate cancellation of this Agreement without refund.
7. Lessee will be provided a combination to the lock maintained on the gate to the access road to the property. At no time should Lessee take any action to exclude, "bypass" or "lock-out" Lessor from the property, either through the use of said lock or any other method.
8. Lessor has informed Lessee that mineral rights in, on and under the Property are held by a third party who has the right to mine, explore for and extract such minerals during the term of this Agreement. Lessee understands that from time to time and on a limited basis, access to the lease area may be limited or denied due to mining operations. Excluding emergency conditions, Lessor will give Lessee thirty (30) days advance written notice to Lessee of such limited or denied access to the lease area.
9. If Lessee shall fail or refuse to pay the aforesaid rent at the time and in the manner set out herein, or fail to do or perform any of these other covenants or undertakings on its part herein contained, or violate any of the conditions hereof, then Lessor shall have the right of immediate termination of this Agreement and upon written notice of such termination delivered to Lessee by mail or in person, may enter upon the Property and take possession of the Property without further notice, and may expel Lessee thereof with or without process of law. In the event of such termination, Lessee shall not be entitled to any reimbursement of rental paid. No delay or forbearance on the part of Lessor shall be deemed a waiver of its right to exercise this option upon any subsequent default.
10. Lessee agrees to inform its guests of their obligations and responsibilities under this Agreement.
11. Lessee assumes responsibility for the condition of the Property and Lessor shall not be liable or responsible for any damages or injuries caused by vices or defects therein to the Lessor, its members or retail guests, or to any other persons in or on the Property who derived his right to be thereon from the Lessee.
12. Lessee and Lessor agree that notwithstanding local law, convention or custom, this Lease creates a mere Agreement to use the Property and does not, nor shall it be construed to

create an interest in the Property. Lessee acknowledged that it does not and will not use or claim any interest in the Property or in any land adjacent or contiguous thereto adversely to Lessor.

13. This Agreement is made and accepted a) without any representations or warranties of any kind on the part of the Lessor as to the title or suitability to the purposes for which the same is granted and, b) expressly subject to any and all existing easements, mortgages, reservations, liens, rights-of-way, contracts, leases (whether grazing, farming, oil, gas or minerals) or other encumbrances of servitudes now of record or on the ground affecting the Property and to any such agreements that may hereafter be granted from time to time to others by Lessor.
